Term 4, Week 8

We have had an exciting and encouraging end to the year in our Thrive lessons. Healthy Harold from Life Education came to visit our students and, with Alana's help, he taught us how to care for our bodies, how to be safe and who to call for help in an emergency, the different systems in our bodies, and how legal and illegal drugs can change the way our bodies function. I was very pleased to hear such a positive report from Alana and Harold about our students' excellent attitude toward learning and their beautiful manners. This term each stage has had a different focus on safety, with the exception of Stage 3. On the right is an illustration from our bike safety lesson, and one about Harold's safe camping trip.

I hope everyone has a safe, happy and relaxing Christmas holiday. I'm very excited about teaching Thrive to Kindergarten to Year 6 in 2024. I'm also looking forward to Mrs Jessica Xi working with me in supporting our primary students in pastoral care. We will be proactively planning how to improve student wellbeing, rewards, engagement and behaviour support systems. We are looking forward to continuing to model and encourage our students to use the Leader in Me program to become better learners, friends and leaders in our school.

Year 9 Peer Support

For those not familiar with the Peer Support Programme at Orange Anglican Grammar, trained Year 9 peer leaders facilitate structured activities with groups of Year 7 students at the start of each year. The programme provides a fun and engaging environment for students to develop connections with their peers and to learn skills in resilience.

On Monday 5th of December, the 2024 Peer Support Leaders participated in a leadership training programme. The purpose of the programme was to both prepare students for the important task of leadership, as well as develop the personal strengths and characteristics of the participants. On the day, students learnt about: their own leadership style; the role of communication in successful leadership; how to work with others and establish meaningful relationships; decision making; and problem solving. It was great to see these students considering the positive impact they can have on our 2024 Year 7 students. I wish them all the best as they undertake this important task next year.

CREATIVE AND PERFORMING ARTS

Strings Studio Concert

Our string teacher, Angela D'Elia, recently held a lunchtime string concert that featured many of her students and ensembles. Students from Kindergarten all the way up to Year 8 performed individually and as part of the Primary & Secondary string groups.

Piano Studio Concert

Piano teachers, Anna Kovalenko & Annette Houghton, held a studio concert in the Media Centre last week, showcasing the many achievements of their students in 2023. The concert opened with Anna & Annette playing a duet for the audience before the real stars took to the stage.

Mediant Choir Christmas Carols

Mediant Choir finished a massively successful year by bringing some Christmas joy to the community. Last Tuesday we visited Allity Aged Care (Calare) to sing songs and carols, even having a singalong with some of the residents. Then on Thursday we serenaded locals at the Orange City Centre, taking to the stage for an encore performance. Thanks to the many parents and supporters who came along to listen. Students belted out some old favourites (Aussie Jingle Bells and Christmas in the Summertime being amongst the most popular) as well as some golden oldies. 'Little Drummer Boy' and 'Joy to the World' were definitely favourites, but 'Rockin Around the Christmas Tree' and 'Jingle Bell Rock' were the standout performances - complete with a dance routine and some rock'n'roll jingle-belling from the boys. I was proud to see many students putting up their hands for a solo performance as well, even through the nerves!

Thank you to all the members of Mediant Choir for an incredible year. It has been one of the highlights of my 2023 to see your growth and share so many wonderful musical experiences with you all. Wishing you all a very musical Christmas!

Primary Music Teacher

Cadets News

Annual Ceremonial Parade

This was another memorable occasion to mark our 5th year of operating. It was a fitting tribute that LTCOL David Major RFD was our reviewing Officer since he was instrumental (in his previous civilian position as the Chief of Staff of the NSW AAC BDE) in supporting Rev Stringer and CAPT Nye to have all the required paperwork progressed for Canberra to authorise the establishment of 252 ACU. We had less cadets on the parade than usually attend the weekly Monday parades so we could not show our true numbers and size. It was one of the fastest ceremonial parades that any experienced attendee has witnessed with a well rehearsed and executed performance being completed in just 35 minutes.

Kitchen Trailers

I am looking forward to collecting the two trailers (see photos) from Newcastle on Saturday 9 Dec. These come fully equipped with BBQs, tables, gazebos, large eskis, etc. We are indebted to Mr Lindsay Wright for "brokering" the deal to secure these trailers. Thank you to LT Russell Player, 2LT Brynn Player and LT Peter Reid who have volunteered to make the trip with me to tow them back to OAGS. They are a significant asset and will undergo a thorough maintenance and rust check plus a new paint scheme.

Bunnings BBQ

Thank you to those that volunteered and gave assistance on 18 Nov. It was a very successful (fundraising venture) to raise funds to commence repaying the \$8000 loan for our new trailers. BUT wait there's more.....

30 DECEMBER - please support our next Bunnings Fundraiser

20 Nov Visit

The CO and 2IC of 25BN were very impressed with the unit numbers, facilities and normal Monday CP operation during their visit. It was great for them to see the large number of volunteer adult staff and the high morale of cadets during the BBQ dinner.

Dinner 30 Nov at OESC

What a wonderful evening to celebrate our 5th year of operating. My thanks to LT Russell Player and the other staff who assisted him to produce such an enjoyable evening.

252 ARMY CADETS UNIT

Holiday period

The OC and staff wish ALL cadets and their families a relaxing, enjoyable and SAFE Christmas holiday period. We look forward to seeing you back in 2024 to commence another year with many new planned and exciting opportunities to be experienced.

Courses

The unit extends its appreciation and thanks to those cadets and adult staff that will attend qualification courses in January.

Important Dates -

30 Dec	BUNNINGS BBQ - volunteer assistance - cadets & adults required
12-20 Jan 24	NSW Promotion Qualification Courses – selected cadets
22 Jan	Adult staff only
29 Jan	Rank & Staff only - planning
5 FEB	PARADE start normal Monday Parades

RECRUITING in Feb 2024 is for Year 8 and above. Year 7 will be able to join in Term 3 (July)

Duke of Edinburgh Award Scheme (DEAS)

This is a very prestigious, internationally recognised Award available to 16-25 year olds which has operated in Australia since 1957. In 2023 our first 3 students achieved their Bronze Awards. Congratulations to Thomas Wright who received his Bronze Award at the secondary assembly last Friday. Please email or speak to MR Nye if you are interested or considering undertaking this award in 2024.

More information about the award can also be found on the website link below
